EDMONTON
POLICE
SERVICE

Attention Belvedere Residents!

There has been an increase in Theft from Motor Vehicles in your community over the past few months.

Here are some tips on how you can prevent this from happening to you:

1. Lock your vehicles.
2. Remove any valuables from your vehicles – even it may not seem valuable to you but it's valuable to someone else.
3. Park your vehicle in a well-lit area.
4. If you have a garage, use your garage to park your vehicle and then lock your vehicle and garage.
5. Help a neighbour out if you notice that their vehicle is a potential to be targeted.

Most importantly, report any incidents to police!

COMMUNITY CONNECTIONS

Everyone Welcome to Drop-In at the Hall

This is a
**Free,
No
Charge
Fun Time!!**

Every Tuesday 9:00am-11:30am
Have some time on Tuesday mornings?

Drop into the Belvedere Community Hall and meet some neighbours.

You can play a card or board game, enjoy a game of table tennis, etc or just chat...while you enjoy coffee/tea and snacks.

From time to time, we discuss things about the community,
Drop in...What have you got to lose except meeting new people or getting re-acquainted with those you know!!

We are having a One-Time **CHAIR YOGA** session on
Nov.5- 10; 00-11:00am

This one session is free. (if this is a hit then we will look at putting on more).

The instruction is done by Equality Fitness & Recreation.

Edmonton in Bloom

This year we had 82 nominees; thank you for Canada Post, residents that nominated the front yards in bloom and delivered the signs and literature. So many beautiful yards. Thank you for bringing a smile to many of us that walk by or patrol to see those lovely blooms, fountains, statues, these yards do not go unnoticed. There were many yards judged from small yards, to natural, general even public building blooms.

BALWIN/BELVEDERE REVITALIZATION UPDATE

The City of Edmonton's Neighbourhood Revitalization program uses a place-based and asset-based community development approach.

Place-based work brings together citizens in a place to leverage strengths and address community need by harnessing the vision, resources and opportunities of their community.

Asset-based community development is a community-led approach built on four foundational elements:

- It focuses on community assets and strengths, rather than problems and needs
- It identifies and mobilizes individual and community assets, skills, and passions
- It is community-driven
- It is relationship-driven

Successful neighbourhood revitalization requires the involvement of many members of the community. City staff members work in partnership with citizens, organizations and business owners in the community to identify neighbourhood goals and carry out actions that contribute to the sense of community in the neighbourhoods.

Stay Connected to the Project and Get Involved!

Visit the project web page and sign up to the mailing list to receive project updates at edmonton.ca/BalwinBelvedereRevitalization

Reach out to Serena, Revitalization Coordinator with your ideas, questions or comments at balwinbelvedererevitalization@edmonton.ca
