

Its craft time at the Community Drop In this Tuesday, Feb. 25, 2020 at the Belvedere Community Hall! With spring in the air, getting things ready for the garden, backyard or the campsite! **Come and try** painting some rocks, making a small fairy house or making a wasp trap! Or just painting some rocks for your child/grandchild that look like a little nest of birds for Easter Time. If **you're not** into the crafts no problem try some pickle ball or ping ping!!! Or just have some coffee and chat. Looking forward to seeing you there!
