Community Patrol & Safety Tips

Spring 2021

Community Patrol and Safety

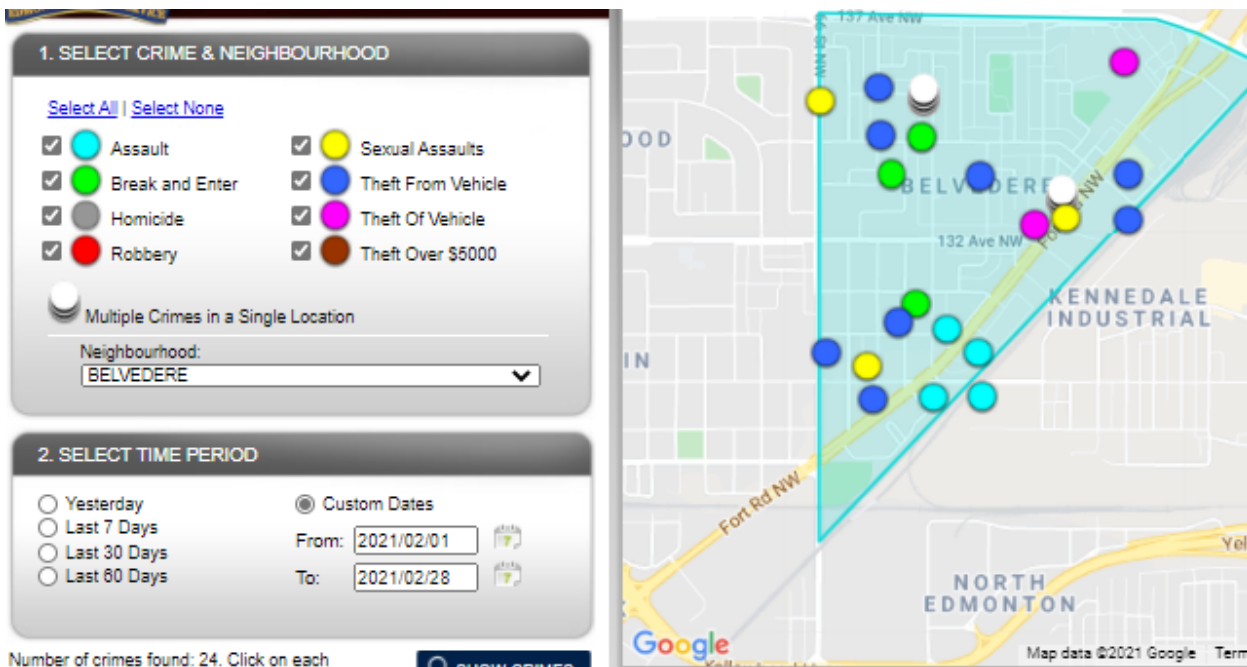

I am repeating myself but that is because once again theft crimes from vehicles are rising in Belvedere, please everyone remove all valuables from your vehicles. We can all do our part by being vigilant so that opportunity does not arise. Again, let us work together in our community to being the eyes and ears to report.

Safety should be all resident's concern.

When out walking take notice of what is happening around you. There could be someone requiring help, or if you see something suspicious, please get involved as this all helps with being a good neighbour and creating a safer environment. A smile and friendly hello go a long way.

Occurrences of selected crimes in BELVEDERE

When to call 211 vs. 911

(24/7) CRISIS DIVERSION TEAM

The 24/7 Crisis Diversion Team responds around the clock, seven days a week, 365 days a year to people in distress on the streets of Edmonton by helping people get to a safe place. The team works toward preventing unnecessary use of emergency services, freeing up police and medical responders to focus on emergency situations.

Examples of when to call 211	Examples of when to call 911
A person is intoxicated or otherwise impaired	A person has overdosed or is not breathing
A person is confused or experiencing a mental health concern	A person is violent or is threatening violence
A person is dressed inappropriately for the weather	A person is asleep in a snowbank
An individual is concerned for his/her own safety	A large group altercation that seems harmful to others
A person is sleeping in a stairwell, lobby or unsafe space	A person is exhibiting violent behaviour and is refusing to leave

Volunteers Needed!

Mosaic Centre is excited to announce that they will have a branch of the Dinner2Door program operating out of our new facility.

Dinner2Door is a program created by The Mustard Seed which helps to support families in need with handmade frozen meals every week delivered right to their door.

We are needing volunteers in the community to help deliver these frozen meals to families in Balwin and Belvedere and nearby communities.

If you are looking to volunteer and help those in need within our communities and would like to know more, please reach out to Carrie and Erika at volunteeredmonton@theseed.ca.

Calling All Community Organizations!

Do you struggle to find money to run your programs?

Do you find writing grants frustrating?

Could you use some help?

Balwin and Belvedere Revitalization Community Group have enlisted the help of a consultant to determine the fundraising needs of the organizations in our communities.

With that information, we'll host a workshop designed to meet the needs in our communities and help us all get better at grants.

To participate in the workshop, we would like some information about your group or organization. Please go to Belvedere Community website to click on the link to complete or use the QR code. Please have submissions submitted by April 6th.

Filling

2 (8-ounce) packages cream cheese, softened

1 1/2 cups heavy cream
2 teaspoons vanilla extract

1/2 cup sugar
