We hope you were able to get out and enjoyed the Belvedere ice rinks this season

With the unseasonably warm weather our rinks closed very quickly this year.

We are currently in the planning stages for rink redevelopment at Belvedere. We would like to encourage everyone to do our **online rink redevelopment survey**. Please go to our website to complete. It is important for us to get responses from the community on this major project

Volunteer Appreciation Week April 24 – 30, 2022

Volunteers are an essential part of any organization.

Volunteering brings people together; it gives individuals the chance to give back to their community, develop new skills, and meet people with similar interests and creates a better society for everyone. National Volunteer Week is a chance for all of us to celebrate and recognise the vital work of all the volunteers who help make Belvedere the community it is and to say thank you. !

Free Books (To Keep!) For Children

Is a new EPL program in partnership with Dolly Parton's Imagination Library.

Apply for your child to receive a new book every month until age five.

Books are delivered straight to your home and are yours to keep forever. Available to a limited number of families living in one of the following 13 neighbourhoods across Edmonton: Balwin, Eastwood, Elmwood Park, McCauley, Canora, Boyle Street, Rundle Heights, Parkdale, Killarney, Westwood, Overlanders, Belvedere and Queen Mary Park.

Please see this site for more information and how families can apply:

Your input is needed to help create a new park on 64 Street!

The Right At Home Housing Society is working with the City of Edmonton and the Belvedere Community League to create a public park at 12923 64 St.

The goal of this project is to beautify the lot and create a place where local residents feel welcome to spend time and where they can connect with their neighbours.

The lot is currently vacant, owned by the City, and zoned for park use. Community feedback is needed to help guide how this space could be improved.

Get Involved

Please share your ideas by completing the online survey. Hardcopies of the survey will also be available and completed surveys can be dropped off at the league building. The survey will be open April 1 to April 30 2022. To find the survey and information about obtaining hardcopies, please visit the BCL website at: <https://www.belvederecl.com>

Look for the results of the survey, future opportunities to get involved, and more information about the project on our website.

If you have any questions about the project please contact Lisa Larson at lisa@heartstage.ca.

Thank you for your time and interest in helping create a new park in Belvedere!
