Are you interested in becoming more involved in your community?

Belvedere Community operates all aspects of running our community league with a volunteer board of directors. This is much easier to do when we have a full complement for our board. Currently we have some directors fulfilling more than one position so we can operate and some still vacant positions. Understanding that everyone has lots going on with your families, work and just life in general because we all do to, if you are at all interested in becoming a part of this great group of volunteers we welcome you to contact any one of our current board members or send an email to info@belvederecl.com A brief description of what each of the below listed vacant volunteer positions entails is on our website: www.belvederecl.com

- Vice President
- Bingo
- Building & Grounds
- Programs Director
- Social Director
- Sports Director

NOTE – We have had to turn back our bingos to the bingo hall because we do not have a bingo director. This is a major loss of income for the community as well as to those parents working our bingos for credits towards their children's sports registrations.
