Hello Residents of Belvedere,

We would like to acknowledge that as residents of our community, as board members we are aware that unfortunately Belvedere is becoming home to more and more homeless encampments in and around the playgrounds, park areas, under the trees south and west of the hall and inside the fenced area of the hall.

PLEASE when you see these encampments or leftovers when they move, take pictures, **call 311** and report the area and submit your pictures. If you see any sign of weapons or they are making fires or are endangering children in the parks, call the police.

We also encourage you to send your emails to Councilor Paquette and Mayor Sohi offices.

Councilor Aaron Paquette - aaron.paquette@edmonton.ca 780-496-8138

Mayor Amarjeet Sohi - amarjeet.sohi@edmonton.ca.

Mayor Amarjeet Sohi - <https://twitter.com/AmarjeetSohiYEG> OR @amarjeetSohiYEG

While we understand and are very aware it can be extremely frustrating at the amount of time it can take for 311 / Forestry to respond to your calls / reports, for everyone's safety, we as board members are volunteers and are in no different position than you, also residents of the community to remove these encampments. Thank you to everyone who has been making reports, and if we can all keep making these reports perhaps there will be faster response times.

ICEMAKER / RINK ATTENDANT

Due to circumstances beyond our control, Belvedere was unable to open our skating rinks last winter.

We are starting the process now to ensure we have someone in place for this winter skating season.

Belvedere has 2 ice surfaces that will require an ice maker/rink attendant this winter.

This is a labor intensive paid position that starts at the end of October until approximately mid March.

For a detailed job description or to submit your application, please visit our website.

This is your community, are you interested in becoming more involved ?

Did you know that community leagues that host social events, community programs, sports programs, maintain our facilities, work the casinos and bingos are all done by volunteers.

Belvedere Community currently is struggling as we do not have a full complement of board members to run our community. Currently we have some directors fulfilling multiple positions so we can operate and some still vacant positions.

Funding to run our league, do maintenance and upgrades to our facility comes mostly from a City of Edmonton yearly operating grant and our bingos and casino. Since April of last year we have not had a bingo coordinator and so have had to turn back our monthly bingo, greatly affecting our income for the year.

Understanding that everyone has lots going on with your families, work and just life in general because we all do to, if you are at all interested in becoming a part of this great group of volunteers we welcome you to contact any one of our current board members or send an email to info@belvederecl.com A brief description of what each of the below listed vacant volunteer positions entails is on our website: www.belvederecl.com

- Bingo
- Building & Grounds
- Programs Director
- Social Director
- Sports Director
- Casino
